

VCN Biosciences is again present at the BIO International Convention in Boston , the largest global event in biotech sector around the world.

L'Hospitalet de Llobregat, June 13th 2012. One year more VCN Biosciences will be present in the *Bio International Convention 2012* to be held in Boston from June 18th to 21th, 2012. VCN's presence reinforces international visibility of the company in an event that provides the opportunity to listen, learn and interact with leading industry experts as they present, discuss and debate the latest business and scientific trends impacting biotech industry. This year, VCN Biosciences will be located at Booth 437-27 in the Spanish Pavilion (BioCAT section).
